

Put a  
**KINK**  
in it...

Lola the  
Ladybug

Wilson  
the Worm

...to help  
conserve  
water this  
summer!

## Conserve water in your yard and home today!

- Reduce irrigation by 20 percent.
- Use a broom, not a hose, to clean driveway, deck, or patio.
- Irrigate between midnight and 6 a.m. to reduce water loss from wind and evaporation.
- Use a bucket and a hose with an automatic shut-off nozzle when you wash your car—or take it to a car wash that recycles water.
